

Think Spring

Now that we have fourteen weeks left in our tennis season, it is time to think about contract renewals for next season. The renewal notices will be going out in February to all captains for the 2020/2021 season. They will be due by March 10, 2020. If anyone is interested in new or additional time, please contact the office. Court time changes are on a first-come, first-serve basis for existing contracts. If you know you will not be returning, please contact the office ASAP at 610-356-2003. We do have a wait list for new contracts.

Springton courts will again be available for Cup Tennis and USTA matches during the week in case of rain after closing. Springton will be open on the week-ends until May 24, 2020 in case of rain. Regular activities and contracts will end Friday, May 8, 2020. **Please remember that all contract make-up cards, as well as any other make-up cards issued this season, must be used by May 8, 2020.**

The **Mixed Doubles Valentine Party/Leap Year Party** will be held on **Saturday, February 29, 2020**. This party is always a huge success, so don't hesitate to register. Registration does require the \$80.00 payment at the time of registration. See additional details included in this newsletter.

String Facts

Make sure you're playing with the right strings for **YOUR GAME**. Just because the pros are using polyester string doesn't mean it's good for the average club player. Unless you have a much higher than average swing speed you will not get most of the benefit of polyester.

Polyester loses tension rapidly and can be hard on your arm. Unless you're a hard hitting, fast swinging, rapid string breaker, stick with a good multi filament string.

YOUR GAME AND YOUR ARM WILL THANK YOU!

We want to congratulate our Head Pro Paul Waltz for being selected by the NFHS (National Federation Of State High School Associations) as the **2018/2019 Pennsylvania Boys Tennis Coach of the Year**. He was specifically nominated by the Pennsylvania Interscholastic Athletic Association as the most deserving recipient for this honor. The NFHS relies on its member state associations to recognize those who are leading their sport, shaping their athletes and contributing in a positive way to their community. The honorees are selected based on their coaching performance in the 2018-19 school year, lifetime community involvement and philosophy of coaching. Paul was recognized as a leader and role model and also for his many contributions to the youth of our country and the community.
